- Step 1.** Lay a comfortable fit long sleeve top or T-Shirt (one that would feel good to play basketball in) on a flat surface and smooth it out. **Do not take measurements off the body – measuring off a top is much more accurate).**
- Step 2.** Measure the flat length (measurement A) of the top by measuring from the top of the shoulder to the bottom of the hem, as per diagram.
- Step 3.** Measure the flat width (measurement B) of the top by measuring across the chest from one side seam to the other at about 5cm below the arm hole, as per diagram.
- Step 4.** Cross reference the A & B measurements to the chart below to find the most likely size match
